YMCA AFTER SCHOOL

2023–2024 School Year

Our goal is to provide a safe, stimulating and fun environment for children to learn through participation. We incorporate the Y's core values: Honesty, Responsibility, Respect and Caring into our activities. Our program is designed to enhance your child's school day through activities such as homework support, field trips, large and small group games and devotions.

YMCA of Upper Palmetto is committed to providing the highest quality Afterschool care possible. We are excited about the unique programming opportunities provided by our Afterschool program. We strive to develop the whole child through programs that build a healthy spirit, mind and body for all, including the following:

Healthy Spirit – We offer daily devotion time, and a group discussion time where youth have the opportunity to reflect on their day and talk about issues and concerns impacting their lives. Youth also develop a strong understanding of the core YMCA values of Honesty, Respect, Responsibility and Caring.

Healthy Mind – We know that homework time is important. We provide a structured study room where youth have 30–45 minutes of homework time. Staff are on-hand to support youth as they work on their assignments.

Healthy Body – In an effort to promote healthy living, the YMCA provides at least 30 minutes of daily fitness time. Activities may include: kickball, team sports, relay races, group games or yoga.
